Join us for the first in a series of films on the topic of European politics!

Ever wonder how the EU came to be? French director Franck Appréderis's *Nous Nous Sommes Tant Haïs* (*How Much We Hated Each Other*) tells the story of just how a continent so torn by war and violence learned to put a painful past behind, and move forward into a very prosperous Union.

This film provides viewers with a straightforward telling of the fact that no European Studies student should miss!!!
