SPANISH FILM: “Pan’s Labyrinth”

This movie by Director Guillermo del Toro tells the compelling story of Ofelia, a 10 year-old who moves with her pregnant mother to her tyrannical stepfather's. The action takes place in Spain in 1944, five years after the Spanish Civil War, during Franco's fascist period. Ofelia is on her own, until she discovers a decaying labyrinth guarded by the mysterious Pan, an ancient satyr who leads her to a fascinating fantasy world.
