

**Innovation ex-Global South Post-2015: African Agency versus Dependency :
from fragile to developmental states?**

Comparative regionalism: a field whose time has come? (Acharya, 2012)
From 'crises' to rising 'second world' of BRICs/BRICS & developmental states?
plus fragile states & informal/illegal economies/TOC?

C21st inter-regionalist reordering as EU eurozone PIIGS in crisis &
global South resilient:

emerging markets/donors/economies/powers/states/societies?
...so analysis in flux from Tickner & Waeber/Phillips & Weaver via
Brown/Harman & Lorenz/Rempe to Khanna/Pieterse/Zakaria *et al*

African agency as innovation from the global South in second decade of the 21st Century

- Africa Mining Vision
- Eastern Africa energy region from Juba to Maputo
- transparent supply chains for 'conflict minerals' ex- Congo (c/o Dodd-Frank)
- West African Commission on Drugs
- Tripartite-Free Trade Area

NB March 2013: Economist Special Report on 'Emerging Africa: a hopeful continent' (2 March 2013, 16pp) & UNDP Human Development Report 2013: The Rise of the South: human progress in a diverse world (New York, March)

Learning through IPE book series after three second decades?

'Neoliberalism in Crisis' (Overbeek, & Apeldoorn 2012), 'Developmental Politics in Transition' (Kyung-Sup, Fine & Weiss 2012) & 'Africa on the centre stage'? (Modi 2011)

- Varieties of Insights out of Africa: from fragility to renaissance? More developmental than failed states?
 - Varieties of Capitalisms
 - Varieties of Innovative Sources of Finance
 - Varieties of New Regionalisms
 - Varieties of 'Transnational' Governance
 - Varieties of Natural Resource Governance
 - 'New" Security Nexuses: energy/food/land/water...and cyber-space/DNA/TOC
 - From N-S Axis to E-S? (NB UNDP HDR March 2013 on 'Rise of the South')
 - Onto Varieties of Innovative Analyses/Policies?
 - Insights from the juxtaposition of cultural/development/gender/global/governance/ security/transnational studies? (eg 'state capitalism' ex-Economist special report 21 January 2012)
