## European Film Series “Venice” Film Screening

Friday, February 13, 2015 | 2 PM - 3 PM | FIU Modesto A. Maidique Campus | GC 140

*Venice*, a documentary about one of the greatest cities in the world, provides stunning views and interesting backgrounds of the city's canals, architectures and romanticism. The film, directed by Jacques Vichet, invites viewers to discover the city's history and traditions, from the period of its commercial and military power to its current status as a major tourist attraction.

Listed as a World Heritage Site, the city has been a cradle of art and culture for almost six centuries. Today, Venice is a multifaceted city, with dazzling architecture, historic waterways and the vibe of modern Italy.

The film, in French with English subtitles, is part of a partnership between the European Studies Program, the Miami-Florida European Union Center of Excellence, Eurochannel Inc. and the European Channel TV.

This event is free and open to all FIU students. Please RSVP by February 12th to [ttorb001@fiu.edu](mailto:ttorb001@fiu.edu).
