## Kenjac Film Screening

Monday, January 26, 2015 | 2 PM - 4 PM | FIU Modesto A. Maidique Campus | GC 140

This semester, the European Studies Program and Miami-Florida European Union Center of Excellence are partnering with Eurochannel Inc. and the European Channel TV to screen a series of European films. Our next screening is a Croatian production, *Kenjac* [*Donkey*, 2009].

Who could have thought that a donkey could one day be a leader? Eurochannel and CSO invite you to travel through time and space to Croatia in the 1990s to meet a family during the last days of the war. *Kenjac*, a story full of courage, forgiveness and hope, is the second feature film from writer-director Antonio Nuic. The film is in Croatian with English subtitles.

This event is free and open to all FIU students. Please RSVP by January 23th to [ttorb001@fiu.edu](mailto:ttorb001@fiu.edu).

Sponsored by **Eurochannel Inc.** and **CSO**.

Co-sponsored by the **European Student Association** and **Miami-Florida European Union Center of Excellence**.
