The European Student Association, in collaboration with le Cercle Français, Pi Delta Phi, and the European and Eurasian Studies Program, is pleased to premiere a fascinating sports documentary on Netflix about the French football (soccer) team entitled **Les Bleus: Une Autre Histoire de France**, or *Les Bleus: Another History of France*. The documentary charts the remarkable successes and setbacks of the French national side from 1996 to 2016. It examines the football team being seen as a metaphor for society by pondering the theme of sport and how it evolves faster than society, while also seeing how they solve socio-economic issues that were beyond politicians.
