

"French Week Miami" is a unique event designed to emphasize and promote the French presence in South Florida. This "Week", which is actually a month, is organized by the French-American Chamber of Commerce in collaboration with the Consulate General of France in Miami. During the entire month of November, the French cultural, economic and social worlds get together in South Florida. FIU is part of this event. For more information on the "French Week Miami" events, go to the following link: <http://www.frenchweekmiami.org/index.html>
