# An Uneven Pandemic Recovery?

Disparities in Health, Economic, and Education Outcomes Across Europe

The effects of COVID-19 have been felt unevenly across Europe, a trend which continues into the recovery from the pandemic. In this panel, experts will discuss how these inequalities have been felt on an individual level and at the national level in terms of health and educational outcomes and economic impacts.

## Panelists:

Holly Jarman, University of Michigan

Julia Lynch, University of Pennsylvania

Martin Myant, European Trade Union Institute

Sylke Schnepf, JRC-European Commission

Moderated by Jae-Jae Spoon, University of Pittsburgh
